

EUROSTONE

Willow Creek's Eurostone™ pavers convey the enduring beauty of traditional European cobble stones. At 7cm thick, these pavers are as durable as they are attractive. The Eurostone family comprises three shapes that work together to make installation a snap. With a simple, repeating pattern you can create patios, driveways and walkways that have a random, natural appearance.

Eurostone pavers are ideal for both standard and permeable applications.

EUROSTONE

Eurostone Pavers

Small: 5 x 6
4.72" x 6.30"

Medium: 5 x 9
4.72" x 9.45"

Large: 5 x 13
4.72" x 12.60"

Eurostone pavers are available in five colors: Black, Bleu, Brik, Creme and Mocha. All three sizes are packaged on the same pallet in a 3:4:4 ratio.

NOTE: To avoid scuffing the textured surface of the pavers, it is recommended that compactors be fitted with protective pads.

Install Eurostone pavers randomly or simplify installation by repeating the 11-paver pattern shown above (3:4:4 ratio) to create a random appearance.
