CAPSTONE FIRE RING CAP

Accent your fire rings with Willow Creek Capstone Fire Ring Caps! Use four caps to create a full circle.

Willow Creek's Capstone Fire Ring Cap lends a natural stone elegance to fire rings at a fraction of the cost and weight of real stone. A complete cap comprises four 9½-inch-wide, easy-to-install, lightweight segments with natural-looking chiseled edges. Available colors include Black, Walnut Brown and Canyon Gray. The thermal texturing process used during manufacturing gives these caps a rich, natural-looking surface. Capstone Fire Ring Caps can be installed using concrete adhesive on fire rings with a 31-inch interior diameter.
