

CIRCLESTONE

The dynamic radiant geometry of Willow Creek Circlestone™ pavers, derived from a centuries-old design, establishes a natural focal point for your outdoor activities. Circlestone pavers create warm, inviting gathering areas — perfect settings for dining, socializing, or just relaxing. What could be more enjoyable than evening conversation by a glowing fire pit at the center of a Circlestone paver patio? Circlestone and center pack can be used with Cobblestone to incorporate circular patterns in a Cobblestone paver surface.

NOTE: To avoid scuffing the surface of the pavers, it is recommended that compactors be fitted with protective pads. See Willow Creek Color Guide for current color availability. Colors shown might not match product colors exactly. Photographic and printing processes are not capable of reproducing all product colors. Due to manufacturing processes, color might also vary between production runs. Please visit your landscaping products supplier to view actual product samples.
