

LEDGESTONE FIREPLACE KIT

Add a touch of elegance to your back yard with this grand outdoor fireplace from Willow Creek™. Easy to assemble using Willow Creek Ledgerstone™ as the exterior shell around a FireRock core, the Willow Creek outdoor fireplace requires no frost footings or costly tools to build. Simply stack and glue the Ledgerstone and Willow Creek pavers around the core, using a masonry saw to make the few cuts required. Make your yard the envy of the neighborhood with a Willow Creek outdoor fireplace!

Finished Size
